

# Invasive Bohemian & Japanese Knotweed

## Field Workshop

Aug. 9 | Kingsbury Creek | 1<sup>30</sup>-3<sup>30</sup> pm

Learn best management practices for dealing with knotweed patches. Area experts will cover identification, herbicide demo, mapping, and community efforts.

Meet @ Lake Superior Zoo parking lot (7210 Fremont St.) Workshop held at patch above the zoo; latecomers follow the Superior Hiking Trail markers up to the intersection of the COGGS Kingsbury Creek mtn. bike trail.

GPS: [\(46.727492, -92.195152\)](#)

Rain or shine! Canceled if lightning. Please dress for the weather.
