Section 5. Enforcement Duties of Officers.

The City Clerk and County Sheriff shall enforce the provisions of this Ordinance relating to nuisances affecting health, and duly authorized County or State health officers may enforce such provisions. The City Clerk and County Sheriff shall enforce the provisions of this Ordinance relating to nuisances affecting public safety and the officers have the power to inspect public and private premises and

take all reasonable precautions to prevent the commission and maintenance of public nuisances; however, except in cases of emergency imminently dangerous to the public health, safety, or welfare, such inspections must be done pursuant to a search warrant issued by a court of competent jurisdiction if access to private premises for such inspection is denied by the owner or occupant.

Section 6. Abatement.

Whenever the officer charged with enforcement determines that a public nuisance is being maintained or exists on premises in the City, the officer shall notify in writing the owner or occupant of the premises of such fact and order that such nuisance be terminated and abated. The notice shall be served in person or by certified mail. If the premises are not occupied and the owner is unknown, the notice may be served by posting it on the premises. The notice shall specify the steps to be taken to abate the nuisance and the time, not exceeding thirty (30) days, within which the nuisance is to be abated. The notice shall also specify that the owner or occupant upon whom the notice is served may request, in writing to the City Clerk, a hearing before the City Council. Such hearing must be requested before the deadline for abatement stated in the notice or within ten (10) days after service of notice, whichever date is longer. If the notice is served by posting, thirty (30) days must elapse between the day of posting and the deadline for abatement. If the notice is not complied with within the time specified, and a hearing has not been requested, the enforcing officer shall take immediate steps to abate the nuisance. If a hearing has been requested, such action may not take place until after the hearing and the City Council has rendered its decision.

Whenever a situation exists that immediately endangers the lives or health of the public, and under which the above notification procedures would be impractical, the enforcing officer may take immediate steps to abate the nuisance, and such action shall be immediately reported to the City Council.

Section 7. Recovery of Costs.

- a. Personal Liability. The owner of the premises on which a nuisance has been abated by the City shall be personally liable for the cost to the City of the abatement, including administrative costs and attorneys' fees. As soon as the work has been completed and the cost determined, the City Clerk shall prepare a bill for the cost and mail it to the owner. Thereupon, the amount shall be immediately due and payable at the office of the City Clerk.

- b. Assessment. On or before October 1 following abatement of a nuisance by the City, the City Clerk shall list the total unpaid charges along with all other such charges as well as other charges for current services to be assessed against each separate lot or parcel to which the nuisance abatement charges are attributable. The City Council may then spread the charges against such property for certification to the County Auditor for collection by the County Treasurer and paid to the City as other taxes are collected and paid.

Section 8. Penalty.

Any person who violates any provision of this Ordinance is guilty of a misdemeanor and shall be punished by a fine or imprisonment, or both, not to exceed the maximum allowed by state law. Every day that the offense occurs shall be deemed a separate violation of this Ordinance.

A violation of this Ordinance may be enforced by criminal prosecution, injunction, action to compel performance, restoration, abatement, or other appropriate action.

Approved this 23 day of July, 2018.
